

God's New Agenda, the Weapon of Worship!

(Prophetic Word Received on Sunday August 12, 2007 by Jim)

Agenda is the key word in this prophecy. The Lord was telling me that we were going to have to be sensitive and willing to surrender our agenda's to His agenda. I kept hearing the phrase "Un Lugar Celestial" which is a Spanish phrase that means, "A Heavenly Place". He said that there were places on the earth that were being established as "Heavenly Places" and the thing that made these places different from other gatherings of His called out ones was their agendas. In these places the people would say to one another, "This time is not for you and this time is not for me it is for the Lord of Hosts!" "There is nothing within in me to do but to worship Him." "I cannot do anything else." "Our worship has rent the heavens and we have become surrounded by the great cloud of witnesses." "The glory emanating from them is the same glory that filled Solomon's Temple and is now beginning to fill the Temple of the first-born." The Holy One decides when the time is for us, even though to worship Him is the best thing that we can do. It is the greatest weapon we have and tears the enemies dwelling place asunder, shaking his heavenly places established to bar our open access to Heaven itself. This is why Jesus taught you to pray Thy Kingdom come and Thy will be done on EARTH as it is in HEAVEN, "Un Lugar Celestial."

The Lord said, "The people will have to come early if they want to get into the sanctuary and you will not be able to make them leave. Every room will become an overflow room and close-circuit broadcasts will go throughout the building so that many can share in My agenda. My agenda is to destroy the works of the devil. Each of you will become members of the heavenly choir, which is on the earth, and you will be joined by the great cloud of witnesses and the angels. For I am still seeking those who will worship Me in Spirit and Truth. Your worship is your greatest weapon for it is a proclamation, a decree and in your adoration you are actually speaking the language of the Creator. I am the only one who speaks this language and those in whom I dwell. They are not the mere words of men's wisdom, but they are Spirit and Life—an actual creative force more powerful than you can imagine. Worshippers will accomplish My agenda and they will usher in the return of the Bridegroom King! Will you repent with all your hearts that I may bring you days of heaven on earth where the laws and physics of My Kingdom have free reign? Will you embrace My desire and My dreams for I long for the wedding supper of the Lamb!

Do not strive to try and do this in your own strength, but pray for sensitivity and an open heart that says, this is the House of the Lord, His time, His gathering and in reverence whatever He wants to do IS the agenda for our gatherings. Lord you have the absolute freedom to change everything! The watchword is recognize, recognize, RECOGNIZE, AMEN—So Be It
